Three Little Birds

Slow Reggae

Bob Marley

The riff in the first four measures can be played every time the A chord occurs in the chorus. Which is a lot. Try to get the rhythm tight and the picking direction right.

Hit the bass note. Strum down and up. Hit the strings with the side of your right hand. Strum down. Use the 6th string bass for the E chord and the 4th for the D chord. Always mind your picking direction. Keep your rhythm, tap your toes!
